DOCKET NO.

In the Matter of:)

Licensed to Practice Dentistry)	
in the State of New Jersey)	CONSENT ORDER
_____)	

This matter was opened to the New Jersey State Board of Dentistry ("Board") upon receipt of a patient complaint from Carolyn Gabriel concerning dental treatment performed by the respondent at Friendly Dental in Aberdeen, N.J., consisting, in pertinent part, of constructing and placing a bridge spanning from tooth #3 to tooth #8 with a precision attachment built into abutment tooth #6. The Board reviewed the entire record in this matter consisting of the patient's charts, X-rays, the records of the subsequent treating dentist, and further information acquired at an investigative inquiry attended by the respondent and her counsel on July 21, 1993. As a result of this review it appears to the Board that this case was poorly designed and planned. It

further appears to the Board that the crown preparation was inadequate for proper retention. It also appears to the Board that it was improper to attempt recementation of the interlock.

It appearing that the respondent desires to resolve this matter without recourse to formal proceedings and for good cause shown;

IT IS ON THIS ~~6th~~ 8 DAY OF *october*, 1993

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall make restitution to the patient by submitting a certified check or money order made payable to Carolyn Gabriel in the amount of \$3,234.90 to the State Board of Dentistry at 124 Halsey Street, Sixth Floor, Newark, New Jersey 07102, no later than the first day of the month following the entry date of this Order. Respondent further shall waive the balance of \$761.10 remaining on this patient's account.

2. Respondent shall successfully complete thirty-five (35) hours of continuing education in basic crown and bridge dentistry (not to include implants). These courses shall be approved by the Board in writing prior to attendance utilizing the attached Pre-Approval Sheet, and the courses must be completed no later than six (6) months from the entry date of the within Order. Respondent also shall be required to complete the attached Continuing Education Report and Proof of Attendance as proof of successful completion of the required course work. The attached forms are made a part of the within Order, and a separate form is

to be used for each course. Said continuing education ordered herein shall be in addition to, and not a part of, the mandatory continuing education currently required for dentists.

MARVIN A. GROSS, D.D.S.
President
State Board of Dentistry

I have read and understand the within Order and agree to be bound by its terms. Consent is hereby given to the Board to enter this Order.
